

Mary Bennett appointed to NADC

NADC APPOINTEE — Mary Bennett will join the NADC as of April 1, 1985, replacing Dick Upham of Ashmont.

Mary Bennett of Elk Point is among four new members appointed to the 1985-86 Northern Alberta Development Council, announced Minister Al "Boomer" Adair last week. The appointment is effective April 1, 1985.

Mrs. Bennett and three other new members, Betty Duckett, Grand Centre; Ted Sonntag, Hotchkiss; and Eugene Dextrase, High Level will fill vacancies on the council created by the retirement of Dick Upham, Ashmont, Rodney Todd, Cold Lake, Verna Block, Spirit River and Joanne Mitchell, High Level.

Returning to the Council are Chairman Norm Weiss, MLA, Lac

La Biche; Vince Rice, Kinuso; Dr. Bob Elliott, MLA, Grande Prairie; Joe Molho, Swan Hills; Ernest Howse, Calan; and Cec Jardine, Valleyview.

Mrs. Bennett is pleased with her appointment, and thinks "it will be interesting to visit the many new places and see what is going on there."

In its public meetings throughout the north, the Council receives written and verbal briefs from residents on topics ranging from industrial development and education issues, to concerns about upgrading of northern roads.

In making the announcement, Mr. Adair said: "The vastness of

Alberta's north, coupled with the fact that the local population of this area is less than half that of greater Edmonton, makes the job of the Council members a true test of the power of good communication. We're sure these people will do a good job."

In commenting on the new Council, Norm Weiss noted: "The next public meeting of the Northern Alberta Development Council will be held in Wanham on April 16, 1985, and public participation at meetings of the NADC has contributed very significantly to the success the Council has in communicating the concerns of northern Alberta to government."

Canada's oldest active Elk

Happy 85th Birthday, Ron!

Friends and family came from a wide area to gather in Elk Point Elks Hall last Saturday night for the 85th Birthday celebration of sprightly senior citizen Ron Barwick.

Called "the most ambitious and aggressive individual in our community" by Mayor Ed Buck, the "birthday boy" exuded good health and good cheer as he chatted with friends old and new, and collected birthday kisses from the ladies.

Mr. Barwick and his wife Grace were joined by their two daughters, Karen Camp and Lorna Lafrance, son-in-law Leonard Lafrance, granddaughter Brenda Pollock, grandsons Terry, Jim and Don Pelechovsky and Mark Lafrance and granddaughter-in-law Alison Pelechovsky at the large gathering. Another grandson, David Lafrance, was unable to attend.

Guests entered the hall to hear sweet strains of 'big band' music issuing from the three piece orchestra, composed of Leo Lambert, George Parrett and Roy Kay, and to see the stage decked with a large banner proclaiming "Happy Birthday, Ron" and flanked with posters saying "59 Years in the Elks Lodge and Still Going Strong" and "Thanks, Ron for Years of Community Service."

The party came as a surprise to Barwick, who had been told that Saturday was Past Exalted Rulers' Night at the Lodge. He had had some suspicions, though, he said, and "There have been some mysterious phone calls at our house this week."

Among those attending the party were a number of Mr. Barwick's musician friends, including Eddie Keen of CHED, Aldous Kent, Fred Brimacombe, Johnny Waschuk, Keith and Jean Inman, Ray Heckbert and others, with whom he had played in various bands at various times. Barwick noted, in introducing the musicians, that he played in his first organized band in 1918. A number of the musicians later joined in a "jam" session and provided lively entertainment after the supper hour.

Music has always been part of the octogenarian's life, as has community service. Representatives of a number of local groups, as well as three levels of government, were present to bring birthday wishes and thanks for years of hard work.

Among the groups Barwick has served, first and foremost is his association with the Elks Lodge. A member since 1926, and the oldest active Elk in Canada, Barwick was a charter member of both the Vermilion and Elk Point lodges, and has been through the entire series of officers' chairs twice, still serving as Elk Point's historian.

Elk Point Exalted ruler Bill Schuhmacher, commenting that "What the Elks need is more Ron Barwicks", read letter of congratulations from the Alberta Elks Association and the Grand Lodge of Canada, both congratulating Barwick on "a record rarely achieved -- remarkable service to the Order."

CANADA'S OLDEST ACTIVE ELK — Ron Barwick is presented with a birthday gift by Exalted Ruler Bill Schuhmacher and Honored Royal Lady Lois Sharek of the Elk Point Elks and OORP.

OORP presented the guest of honor with an attractive clock decorated with an elk.

Sid Holthe brought greetings from Alberta's Premier, Peter Lougheed, in the form of a scroll, plus a congratulatory letter and Alberta pin from MLA John Drobot.

Nick Bochan read letters of congratulations from Member of Parliament Don Mazankowski and Leader of the Opposition John Turner.

people's groups, sports, the Chamber of Commerce and the Lakeland Tourist Association, and called upon Barwick's friend of sixty years, Councillor Morris Cooper, to present a plaque on behalf of the Town.

Other presentations were made by John Yakemchuk of the Elk Point Minor Hockey Association, Margaret Clark of the Pioneer Circle, Carol Metz of the Chamber of Commerce, Bill Pacholek of the Elks Hockey Club, Susan Yakemchuk of the Figure Skating Club, and Exalted Ruler Fodchuk of the Hairy Hill Elks Lodge.

Leonard Lafrance made a very special presentation of love and best wishes from all members of the Barwick family, while the band made their presentation in song, with a special rendition of "Thanks for the Memories."

The Barwick family celebration continued Sunday, when great-granddaughters Joelle Pollock and Ashley Ann Pelechovsky were christened at Elk Point United Church.

Seniors visit Vermilion

by MARGARET CLARK

On February 26, 1985, 42 Seniors from Elk Point went to visit the Vermilion Seniors in their lovely new centre. We all viewed the lovely spacious centre; afterwards we enjoyed several hands of whist. Marion Smith played as a man and she won the first prize, a bottle of After Shave Lotion. Olga Tomkow won the consolation prize, sorry I do not know what it was.

I can assure you, we all enjoyed the afternoon with all the seniors of Vermilion. Many thanks goes out to Heather for the invitation to visit them and for serving a lovely lunch. Thanks again Heather. We would have liked to have stayed longer but several of the Seniors had a prayer service to attend.

We are in hopes the Vermilion Group can visit us soon. Bonnyville will be visiting them March 1st.

Our president, Margaret, on behalf of the Elk Point Seniors thanked the Vermilion Seniors for a lovely afternoon and asked them to come visit us soon.

The weather man was truly good to us for giving us a beautiful sunny day to travel. A good time was had by all.

Our lady bus driver is an excellent driver and so accommodating, thanks again Gloria, for a lovely bus ride. Also many thanks for those kind words. Hope we can go again soon with you for a ride, in the meantime, many thanks for the ride.

CLEANUP OPERATION — New graders sweep clean too, Larry Lecopoy shows, as he pilots the new acquisition down 50th Avenue, and cleans out the gutters almost in time to avert the yearly flood at the Review office.

Council notes

(continued from last week)

Council moved to accept a tender by Zarowny Motors of St. Paul for purchase of a Ford 3 Ton gravel truck for \$25,499, with the early delivery date being the deciding factor.

Council agreed to pay the M.D. of St. Paul Foundation their 1985 requisition of \$809 from the 1984 deficit.

The new senior citizens lodge is experiencing a two to three week delay in going to tender because of a last-minute decision to enlarge the kitchen and dining area.

The lighting layout for the new library has been revised, because of the change in the spacing of roof trusses from 32 inch to 24 inch centres. The recessed fixtures originally planned will be replaced with surface mounted units.

The second progress payment on the library was discussed and approved. Roofing and siding is now in place, and the insulation and vapor barrier is installed. Heaters are running in an attempt to thaw the ground completely prior to pouring the floors.

Council approved proposed revisions to a proposed subdivision lot plan 5599KS, made by John Yakemchuk to change parcel size. Cost of water and sewer lines were taken into account in making this decision, and will be part of the conditions imposed.

Vermilion seminar to address finance problems

An agricultural seminar to include a full luncheon, will be held March 27th, 1985 between 8:45 a.m. and 5:30 p.m. at the Vermilion Elks Hall.

The event, sponsored by the Province of Alberta Treasury Branches, is open to customers and non-customers alike at no charge. Based on limited seating availability, invitations may be picked up at your nearest Treasury Branch.

The topics covered by the guest speakers will provide the agricultural community with a better insight into some of the difficulties in the industry today.

Guest speakers include: Dennis Huepelsheuser, Farm Financing Management; Bill Daye, Creative Financing; Cal Brandley, Estate Planning and Taxes; Sid Gordon, Grain Marketing and Calvin Ausenhus, Pros & Cons of Future Marketing. Mr. Les Bellan, Treasury Branches' Senior Assistant Superintendent - Divisional Operations, will also be on hand.

For further information, please contact your nearest Treasury Branch.

Remember her first boyfriend?

"Dad. Mom. This is Paul." Or maybe it was Peter, or Dwayne or Jimmy. His name doesn't matter. Your little girl was introducing you to — "her boyfriend".

Fantasies rarely match reality. The chances of that young man matching what you hoped he would be are remote.

It's a funny thing about kids. After all the love and care we devote to them; teaching them everything we know about life and living, they turn around and do something that sets us into a

tailspin. Boyfriend? This?

One of the main challenges of the adolescent years is the development of skills necessary for adult relationships. Our kids' friends provide one context in which they learn these social skills. They help each other refine and define how they see themselves. They support each other. Remember growing up? We probably put our parents through pretty much the same experience.

Everyone goes through changes. It just happens more often when you're young because there are so many new things to choose,

to try, to test. Our kids are facing important issues about themselves, their friends and things like alcohol, cigarettes and other drugs. That's a part of growing up. Stay close, be involved. And remember, we can still be the closest and strongest influence in the lives of our kids. And the new boyfriend? He's probably got parents too.

"Second Class Mail Registration Pending"

Speaking out

Every year around this time, the County of St. Paul teams with hopeful young public speakers, as students in Grades one to twelve of each school aim for the championships.

Public speakers, divided into junior and senior age groups, from 4-H clubs throughout the district are also timing, practising and polishing their addresses as they work toward the district speak-off.

From this multitude of speakers, twenty-six champions will emerge: one boy and one girl in each grade from one to twelve, one senior and one junior 4-H member. But let us remember that every one of those competitors who took part in every one of those speak-offs, at class, school, County, club or district level, is in fact, a winner.

They have won the freedom from the gripping fear which strikes an individual speechless when called upon to speak before a group. They have stood before their peers and spoken out. They may not have wanted to speak, and have been bribed, cajoled or railroaded into it, but they have done it, and every single one will be better for the experience.

Alberta 4-H Premier's Award winner Doug Sawyer of Pine Lake told those present at the Alberta 4-H Leader's Conference last December that his first public speaking attempt was all of fourteen words long, "and I would have rather eaten nails than given it." Now, the once tongue-tied young man can speak with apparent ease, and almost no

reference to his notes, for fourteen minutes, or maybe longer. This is a true example of the 4-H motto of "learning to do by doing".

Similar experience in the schools of this county is preparing the students to be able to speak out, unafraid, in later life. To be able to speak unself-consciously and with ease is a great asset in the world of business, as well as in one's personal pursuits.

Judges at this year's competitions have remarked that their task gets more difficult every year, as the speakers just seem to get better and better. One first-time judge said that she was quite amazed by the professional performance put on by the young elementary school speakers, and one of the 4-H speak-off judges commented on the maturity of subject matter and the seeming ease of delivery shown in the speeches she had heard.

To some youngsters, and, indeed, even to some parents, public speaking may seem a waste of time. But is it? Can an activity which so well prepares a child or young person for a challenge he or she will have to face in later life, be a waste of time?

From the viewpoint of a person who was scared to give a report in front of one's own classmates at the age of twelve, and still utterly appalled at having to stand up and ask a question at a community meeting some fifteen years later, it hardly seems so.

V.B.

A very good year

"The first year is the worst year, you'll get used to it," said the old song. With the Lakeland Review celebrating its first year under the present management this week, we can say with confidence that if this has been the worst, the best must truly be wonderful.

We at the Review think we have had a very good and very successful twelve months, and attribute our success to you, our readers and advertisers. Without you, where would we be?

With the passing of time, we have gained expertise and confidence, and have concentrated on doing our very best to bring you the news you want to read, and the advertising you need in your daily life.

We have gained several regular contributors to our pages; Irene Magnusson, with her poetry, wit and wisdom, Mildred Dunham, who brings us the weekly news from the Ferguson Flats, Lindbergh and Primrose areas, Laverne Wilson and his staff, who report on Heinsburg's happenings, Sharon Rebryna, who shares the Derwent doings, and other contributors from Dewberry, Clandonald, and Frog Lake, whom we hear from on a less regular basis. Keep that material coming in, folks — we do like to hear from you.

Here in town, we have the assistance of the Recreation Director, Neil McMann, FCSS Director, Marie Buck, 4-H Beef Club Reporter, Elena Drobot,

RCMP Sergeant Jim Fell representatives of numerous clubs and organizations, and of course the dedicated hockey team supporters, in rounding up the news and getting it out to you. Without their very valuable aid, we would not be half as efficient at gathering up all the facts each week. F.G. Miller High School student Samantha Gray performs a dual role, bringing us the latest news from that sector and helping out in the shop as our work experience student.

In our office, we have John McGregor, our Advertising Manager, who also supervises the printing department, runs the press, keeps us smiling at his Irish humor, and (hopefully) prays for us on Sundays. Then we have the two Donnas, which is sometimes confusing. Donna Boothman is our receptionist, and assistant press operator, while Donna Brooker sets type and is learning layout and pasteup. When you phone and say "Hello, Donna?", you are almost sure to get a "yes", but may still have the wrong one.

We also have an exceptionally fine support staff in St. Paul, who deal with all the 'dirty work' of setting our type, developing our pictures, rushing to get the paper together on Tuesdays, and sending out our bills. Without them, we'd never get this paper on the streets — or even in your birdcage.

And then there's me, Vicki, What do I do? Well, "I'm just here to get the facts, Ma'am..."

Elks receive year-end awards

MOST VALUABLE PLAYER — Victor Stepa is presented with the Sharkey's Bus Service trophy by Vernon "Babe" Sharkey.

The stars of the Elk Point Elks Hockey Club received their year-end awards last Monday night, at their final home game of the season. The Elks are unfortunately out of the playoffs, losing to Kehewin three games straight.

Victor Stepa was the recipient of two awards. Stepa was voted "Player of the Year" by the fans attending Elks home games throughout the season, and was presented with the Elk Point Elks Booster Club award by Phil Sheplawy, and was also declared Most Valuable Player for the Sharkey's Bus Service trophy.

Willie Lesyk was named Rookie of the Year, and received a trophy sponsored by Virginia's Hair Port.

Murray Cochrane scored an impressive number of goals and assists to win this year's Top Scorer, edging out Vic Stepa by a small margin for the Elk Point Insurance and Realty trophy presented by Lillian Demchuk. John Wozniak was the season's best Defenceman, and was awarded the Elk Point Oilfield Service trophy, presented by Steven Cox.

The Most Dedicated Player, an award which takes into consideration work done both on and off the ice, went to Lorne Berg, with Ken Palamarek presenting the Canadian Salt Company trophy.

David Nazarchuk was named Most Improved Player for 1984-85, and was presented with the Sharkey's Bus Service trophy by "Babe" Sharkey.

MOST IMPROVED PLAYER — David Nazarchuk receives his trophy from "Babe" Sharkey of Sharkey's Bus Service.

MOST DEDICATED PLAYER — On an off the ice, was Lorne Berg, shown accepting the Canadian Salt Company trophy from Ken Palamarek.

BEST DEFENCEMAN — For 1984-85 was John Wozniak. The Elk Point Oilfield Service trophy is presented by devoted Elks fan Steven Cox.

TOP SCORER — Murray Cochrane scored 32 goals and 32 assists to win the Elk Point Insurance and Realty trophy, presented by Lillian Demchuk.

PLAYER OF THE YEAR — Elks fans voted for Victor Stepa, who accepted the Elk Point Elks Booster Club trophy from Phil Sheplawy.

ROOKIE OF THE YEAR — Was Willie Lesyk, who had an excellent first-year with the Elks. He accepted the Virginia's Hair Port trophy from Steven Cox.

It's been a great year, Elks-- see you next fall!

Plan your Fair exhibits NOW

by Irene Magnusson

I cannot repeat too often, on behalf of the Fair Board, that you **PLAN AHEAD**. Every member on the Board wants just as many entries as possible to show up for the summer Fair, and we all know a lot of those entries take a lot of time to prepare, so now is a good time to "get cracking".

This week we are featuring the Seniors' Section.

Seniors includes anyone, women or men, 60 years or over. This listing in the new Prize List book is not overly long, but it contains a very good sampling of the homey household crafts. Don't be shy to let others see the works you have become good at over the years.

Cushions, any type; knitting and crocheting; embroidery and quilting; sewing and baking. These are what you did all your life. Then we can go artistic with a section on painting. I take this to mean painting of pictures — but why couldn't it include a well-painted chair, or picture frame? The choice is yours. Use your imagination.

Grace Barwick, in charge of Seniors' display, urges all seniors to pick up the Prize List at the Lakeland Printing office, (across from Post Office) and study the Seniors' section. The book is free for the taking. And there's bound to be something of interest to you.

For further information you may call Grace Barwick at 724-3813, or contact her assistant, Alys Randall, both of Elk Point.

The other section we will touch on today is that old favorite — House Plants. This section, as it has been for some years, is convened by Rose Doucet — a true house-plant lover. Over the years the section has become quite a major one, with over 40 varieties listed.

The only criteria noted is that you remove dead leaves

and flowers from your entries — quite a reasonable request, as it can only add to the attractiveness of the displays.

The list covers almost all the old stand-bys, familiar to all who have house plants: violets, geraniums, cactus, begonias. But there are varieties of each, and some may be blooming, some not. Collections of three or more are there, as well as the more modern terrarium plantings.

Then there are some whose names may not be so familiar to all of us — but it may be just the plant you cherish most. Dracena, ficus, epecia — I don't recognize them, but I'd love to see them. If you grow them, show them.

The 'fun' section would be the kitchen throw-outs, little plants you start from exotic seeds or cuttings. How about sinking a date seed, or an orange, grapefruit, melon seed into a flower pot — just to see what comes of it? We all know how a carrot top will flourish. How about a beet top? And there are many other unusual things

we can start in our house these slowly lengthening March days. They just may turn out to be prize winners.

Please continue to **PLAN AHEAD** for that next-summer Fair, get to work on your creations and your

ideas. Get them ready for display. We already have a very interesting Fair. In 1985 let's make it the best one ever. Mrs. Doucet may be reached at 724-2204, if you have questions on houseplants.

HOUSEPLANTS BY THE DOZENS — Were shown in the Elk Point Fair in '84. Plan ahead to groom yours for display in 1985. I. Magnusson

From the Sergeant's desk

By SGT. JIM FELL

Well it feels like "Spring has sprung" as the old saying goes but with it comes the memory of a very tragic accident that occurred between Calgary and Edmonton a number of years ago.

A young woman and her child were in need of a ride to Edmonton from Calgary, a friend offered them a lift and they set out in the late afternoon. During the course of the trip, the mother and child got into the back seat to have a sleep as it was going to be a long trip. Upon arrival in Edmonton, the driver was horrified to find that neither the mother or the child were breathing. The investigation was later revealed that they had

both died from carbon monoxide poisoning. There was a leak in the exhaust system and the carbon monoxide had entered the vehicle and was lethal enough to overcome the two passengers.

With that in mind, it has prompted me to initiate a "SPRING CLEAN-UP PROGRAM" in the Elk Point Detachment area where we will be setting up check points and examining vehicles for equipment and mechanical fitness. Hopefully we will only have to issue warning slips but violation tickets will be issued if warranted. Let's tidy up and avoid the possibility of a terrible accident like the one I have noted.

Elk Point Mayor Ed Buck welcomes the curlers

It is my pleasure to extend a warm and cordial Elk Point welcome to all the participants of the 2nd Annual Elk Point Oilmen's Bonspiel, March 22-24, 1985.

The oil industry is having a significant impact on the growth and prosperity of the Elk Point area. It will continue to play a major role in the development of the area in the coming years. It is therefore heartening to see the continuation of this bonspiel for the enjoyment of the many people who are

employed and involved with the oil industry in Elk Point and area.

I trust while you are in Elk Point the warm hospitality our community has become renowned for will be extended to you and yours. It is our hope that the many friends we will make throughout this bonspiel will return time and again to visit and renew those friendships.

My wishes for the most successful 2nd Annual Elk Point Oilmen's Bonspiel.

Good luck and good curling.

Ed Buck, Mayor of Elk Point.

Heinsburg 4-H report

by KIM THOMSON
Club Reporter

The meeting came to order at 3:30 p.m., March 6th. We sang 'O Canada' and said the pledge. The first thing on the agenda was the election of a new secretary. Kim Best will be our new secretary. Roll call - 11 members, 2 leaders and 2 guests (Mrs. Skawronski and Ms. Adele Reichart) were present. The minutes of the last meeting were read and adopted. We voted to send our scrap book to the St. Paul Agriculture display. Mrs.

Skawronski volunteered to organize a curling "funspiel" on Sunday, March 10th. There was a discussion of various summer camps sponsored by 4-H. Plans for our Achievement Day on April 27th were discussed. The meeting adjourned to other rooms for work sessions at 4:39 p.m.

On March 10th, nine Heinsburg Club members and two Dewberry 4-H members gathered at the Heinsburg Curling rink for a "funspiel". The games got underway about 10:30. The first two

games were a great success. Then we had lunch (chili and buns) donated by some of the mothers and leaders. Then the last exciting game was played. The B Team - Debra Rainey, Henry Thomson, Dee Dee Skawronski, and Rhonda Laboucane - claimed first prize. The A Team - Linda Twarog, Kim Thomson, Tina Rainboth, and Kim Best - came in second. The C Team - Leanne Rainey, Roxanne Laboucane, and Cory Twarog - got the tail end trophies. There were also prizes for:

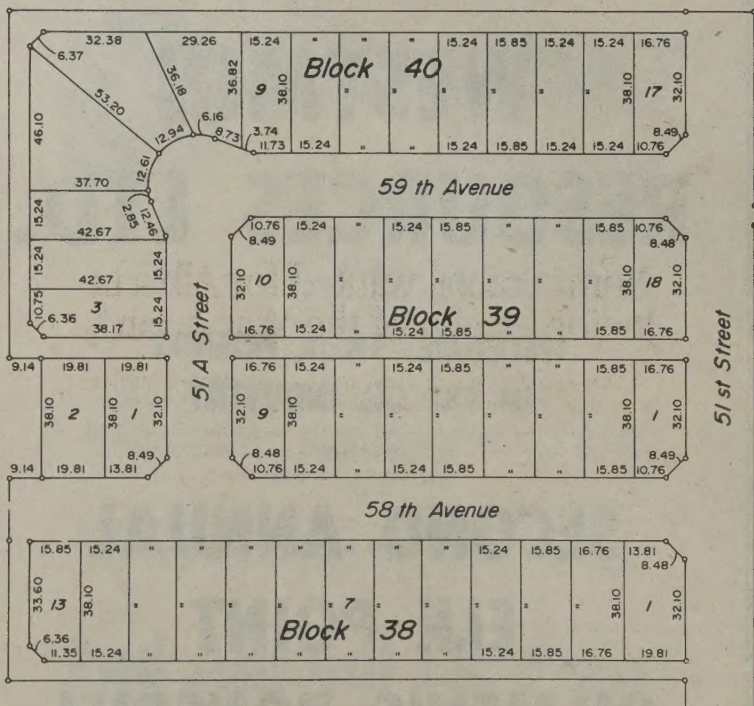

Best Wrong Turn - Linda Twarog
Closest to the Button - Kim Thomson
First Take-out - Tina Rainboth
Best Combination Shot - Kim Best
First Rock in the House - Debra Rainey
First Bank Shot - Henry Thomson
First Rock through the House - Dee Dee Skawronski
Most Serious Player - Rhonda Laboucane
Bingo Prize - Leanne Rainey
First Fall - Roxanne Laboucane
Most Enthusiastic Player - Cory Twarog

Despite all the slipping and sliding and the odd fall everyone had a great time!

REAL ESTATE SALESMAN HONORED — Bill Ballas of Fort George Agencies was honored recently in a ceremony at the Edmonton Inn, when Don Lawby, Vice-President of Century 21 Real Estate Canada Ltd., presented him with an Outstanding Achievement Certificate for outstanding individual production in the fourth quarter of 1984. Heinsburg School happenings

This past week has been busy at school. All students have been putting final touches to their speeches in preparation for eliminations which were being held during the week to determine who will represent this school at the St. Paul Jubilee Public Speaking Programs.

The elementary Speak-Offs will be hosted by the Heinsburg School on Tuesday, March 19. Schools participating will be the elementary school from Ashmont, Lafond, Mallaig, Elk Point, and Heinsburg.

Meanwhile, on Thursday, March 21, the Heinsburg team of speakers from Junior-Senior High will travel to Lafond School who are hosting the event.

Representing Heinsburg School are as follows:

Grade One — David Skolarchuk; Darleen Gunderson
Grade Two — Cameron Best; Janet Sanders
Grade Three — Darren Kinch; Lily Thomson
Grade Four — Darren Skolarchuk; Arlene Bendixen
Grade Five — Alexandria Skawronski; Adrian Abraham
Grade Six — Shelley Hislop; Cory Twarog
Grade Seven — Henry Thomson; Janice Blacklock
Grade Eight — Jason Kinch; Kyla Moyan
Grade Nine — Robert Durocher; Kim Thomson
Grade Ten — Dwayne Durocher; Annette Daniels
Grade Eleven — Randy Parenteau;

Tracey Bettcher
Grade Twelve — Wilson Faithful; Doris Durocher

At the local level, each student representing their respective grade received a medallion for their effort. These medallions were presented by Mrs. Grace Franks in memory of her late husband Mr. Frank Franks, long time resident of the Frog Lake-Heinsburg area.

Our students are forever grateful to Mrs. Franks who comes to our school annually to present her awards.

The annual Grade XII Talent Night will be held at the School Gymnasium on Tuesday, March 26 commencing at 7:00 p.m. The students are looking forward to continued good participation for their event. Entries can be registered by phoning the school secretary.

In Further Education, the Hardanger class will commence on March 27. There are still more openings for anyone interested in enrolling. Contact Marie at the school.

The community school library has numerous new books on the shelves. For our communities, you are welcome to use this facility and enjoy the new volumes which include: The Art of Robert Bateman; The Ancient World; All Creatures Great & Small - James Herriot; Windhaven Series - Marie de Joulet; A Perfect Stranger - Danielle Steele.

To correct an article that appeared in our last report, the Annual Grade IX Spring Prom will be held on Friday, April 19 and the band will be "Wildwood".

Community Organizations/Clubs Grant Meeting — A meeting has been scheduled for Monday, April 1, 7:00 p.m. at the Community Services Building. All Volunteer Community Organizations and Clubs are invited to attend in order to find out about the new Community Recreation/Cultural Grant Program. This new program replaces the MCR (Major Cultural/Recreation Facility Development), Project Co-operation, and Operation Assistance programs that many organizations may have applied for in the past. The new program has increased the need for greater organization at the local level as the Grant can be applied for only once a year. The meeting will provide information about the new Program in regards to who is eligible, method of applying, deadline, planning, etc. Hopefully at least one member from each Organization/Club in Elk Point and Divisions 1 & 2 in the County of St. Paul will attend. If you have any questions about the meeting you can call 724-4074.

Slowpitch Organizational Meeting — An Organizational meeting for the mixed Slow Pitch league has been scheduled for Wednesday April 3, 7:00 p.m. at the Community Services Building. All interested people are invited to attend as well as at least one member from each team that has already entered or are planning to enter. The agenda topics will include length of schedule rules review, entry fee, etc. Being new to the Community I need to get some feedback on the league last year, find out the positive and negative aspects of last year's league so that it can be a better league this year. To register a team or just individually phone the Rec. Office at 724-4074.

Softball Umpires Clinic — The clinic is scheduled for Friday, April 19 from 7-9 p.m. and Saturday April 20 from 9-5 p.m. The course contents includes classroom lectures as well as field work. The clinic fee is set at \$10.00 which includes a rule book and handouts. If you want to become a registered Umpire in the Association an extra fee will be charged. If anyone out there is interested in helping out with Umpiring the mixed Slowpitch league there will be a section on SlowPitch rules included in the Friday session. There would be no charge for just taking the Friday session. To register or to find out more information phone 724-4074. We must have 18 people pre-registered before the clinic can go.

Floor Hockey — There will be drop-in Floor Hockey at the Community Services Centre Gymnasium for youngsters 6-13 years old during the Easter Holidays. On April 9, 10, and 11 beginning at 1:00 p.m. each day. The Rec. Dept. does have some Floor Hockey sticks but if there is a good turnout we will need more so bring along a plastic-bladed stick if possible. A fee of .25¢ per day will be charged to help cover the costs of refreshments that will be served.

Minor Ball — With the great weather we have been having the Minor Ball season is probably not too far away. Registration forms are available at the Rec. Office, Town Office, and will also be available at the Schools. The Program begins with T-ball for the young boys & girls and goes up to the Bantam level. We do need coaches to make the Program a success so if you are interested in helping out you can call the Rec. Office at 724-4074.

Register now for the Town and Country Women's Conference

April is almost here and that means the Annual Town and Country Women's Conference is fast approaching.

This year's conference will be held in Bonnyville at the Agriplex on April 16 from 8:30 a.m. to 4:00 p.m. "Meeting the Changing Times" is the theme of the conference, with 3 select-a-sessions throughout the day. The topics to choose from include: Northern Gardening, Take Time for Your Family, Starting Your own Business, Farming Together, How to Talk to Your Children About Child Sexual Abuse, and Get More for Your Clothing Dollar.

A hand crafted fashion show will also be held during lunch. The cost of the days activities is \$5.00 and this includes lunch.

Don't miss out on this full day of fun, fellowship and learning. Registration forms are available at the Alberta Agriculture office. Please register before the deadline of April 4, 1985. A bus will be ordered if there

is enough interest in chartering a bus for the St. Paul district.

...

Now that the weather is warmer ice fishing can be more pleasant.

But what can you do with an overabundant catch? Agriculture Canada recommends freezing fish - it is the easiest and safest method of preserving.

Fish are highly perishable and soon after they are caught changes take place which begin to destroy the quality of the fish. Freshly caught fish should be chilled as soon as possible by packing them in flaked or finely crushed ice. Place the fish, bellies uppermost, between layers of ice in a clean container. This holding period should be kept to an absolute minimum. To preserve quality, the fish should be cleaned, dressed and repacked in ice as soon as possible.

There is a common misconception that freezing fish completely prevents deterioration. The truth is that freezing slows deterioration. Chemical and physical changes do take place during frozen storage causing them to lose quality and eventually become unpalatable.

To maintain good quality a constant storage temperature of -18°C, the average temperature of a home freezer is recommended. Raising the temperature above this for just short periods damages their quality.

The maximum recommended times for frozen storage are: — lean species (Northern pike, Perch, Walleye) - up to 6 months; — medium fat species (Rainbow and Lake trout, Goldeye, Whitefish) - up to 4 months; — fat species (Carp, Sturgeon, Inconnu) - up to 2 months.

Don't forget to label packages to show species, weight and the date of freezing.

Recreation awards

EDMONTON — Dick Johnston, Minister of Advanced Education, recently announced the 17 recipients of J. Percy Page Recreation Awards. Recipients were selected from the competition which closed January 1, 1985. The total value of these awards is over \$12,600.

Individual award recipients include nine from Calgary, five from Edmonton and one from St. Albert.

Individual awards are intended to assist outstanding amateur coaches, officials and volunteers to further their recreational training through part-time and short-term study or through attendance at conferences or workshops. Recipients will be involved with the following: attending technical meetings at the International Ski Federation Congress to prepare for the alpine ski racing events at the 1988 Winter Olympics in Alberta; achieving certification for officiating skills in cross country skiing, rugby and fencing; advancing skills and leadership in the Canadian Ski Patrol System; and upgrading their baseball coaching skills.

Organizations receiving awards are the Alberta Recreational Canoeing Association and Borzoi Canada, a purebred dog owners' association. Awards to organizations assist in providing recognized resources personnel to conduct training seminars and workshops for volunteers involved in recreational leadership.

The Percy Page Award will enable the Alberta Recreational Canoeing Association to bring Canadian recreational canoeing authority, Bill Mason, to its instructor/training/examiner workshop and to three community seminars on canoeing.

Borzoi Canada will use its award to conduct a seminar by Mrs. Karen Staudt-Cartabona for Borzoi (Russian wolfhound) breeders.

Application deadlines for the J. Percy Recreation Awards are: January 1, for proposed training or workshops between March and May; April 1, for proposed training on workshops between June and August; July 1, for proposed training or workshops between September and November; October 1, for proposed training or workshops between December and February.

Midget hockey team news update

by Diane Wolanuk

On February 14th the Elk Point team played their first round of Provincials away from home in Lloydminster. The final 8 to 6 score gave our local boys a two point advantage.

Scorers were: Murray Palamarek - a hat trick; Garrett Gregoraschuk - two; Lane Lorenson - one; Ronnie Poitras - one and Ken Pashulka - one. Assists - Lorne Demchuk, Gene St. Jean, Jim Vinge and Murray Palamarek.

The next Provincial game was on home ice February 16. This concluded with Lloydminster victorious in a 6 to 3 battle. Although Duane Wolanuk played an excellent game in net the one point was all it took for Provincial Playoffs to be unreachable. Scorers: Jim Vinge; Lorne Demchuk and Murray Palamarek. Assists: Lane Lorenson, Gene St. Jean; Jim Poulin and Rennie Poitras.

March 3rd saw Lac La Biche at the A.G. Ross Arena for the final league game of 1985. Try as our boys might the opposition won eight to four. Scorers: Murray Palamarek - two; Jim Vinge - one; and Gene St. Jean - one. Assists: Garrett Gregoraschuk; Tim Poulin and David Hellquist.

The weekend of March 16 & 17 the team attended a tournament in Paradise Valley. Four their final game on Saturday, Elk Point started very

well but in the second period Provost scored four points and the end result was a 7 to 3 win for them.

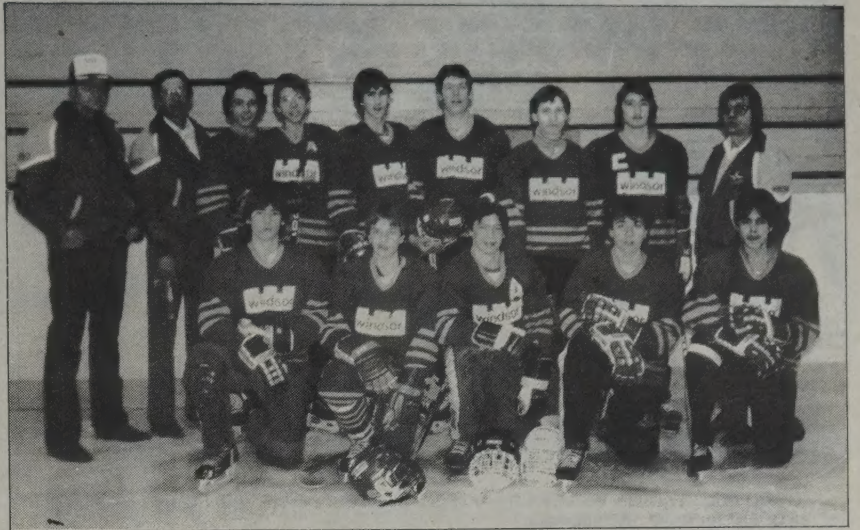

Our scorers were: Kenny Pashulka - one; Duncan Osinchuk - one and Murray Palamarek. Assists: Lorne Demchuk; Jim Vinge; Murray Palamarek and David Hellquist.

On Sunday our team played a fast evenly matched event to have a shut out of 2-0 against Lloydminster.

Scorers: Jim Vinge who scored with only 8 seconds gone in the first period! Congratulations! Duncan Osinchuk scored the other. Assists from: Tim Poulin and Jim Vinge.

Later the same day, in the final game of "B" event, Viking won out in a ten minute overtime by a score of 4 to 3. This was a well played game by Elk Point even though the plant for artificial ice had broken down and things got quite sticky and slow going. Duane Wolanuk, in goal, had performed very well but a pop shot from the side evaded him and with 48 seconds left our boys knew they had won second place. Scorers were: David Hellquist; Lorne Demchuk and Kenny Pashulka. Assists: Murray Palamarek, Jim Vinge and Garrett Gregoraschuk.

All of the above games were played with quick skating and hard checks but most were done with only ten players -

ELK POINT MIDGETS, 1984-85 — (Not in order) Garrett Gregoraschuk, Malcolm Palamarek, Tim Poulin, Murray Palamarek, David Hellquist, Duncan Osinchuk, Gene St. Jean, Jim Vinge Jr., Lane Lorenson, Lorne Demchuk, Ron Poitras, and coaches Jim Vinge Sr. and Lloyd Metz. Missing are: Kenny Pashulka and Dwayne Wolanuk.

two lines. that gets pretty tiresome. Elk Point should be proud they have carried on a position in their league and some towns around have amalgamated this year and no one seems to know where they are from. Losing is tough at

the best of times but we must look at the Toronto Maple Leafs with 46 losses and they are pros being coached by professionals! The Midget have one final tournament in St. Paul on March 30 and 31.

GOLD MEDALLION WINNERS — From Kitscoty are congratulated by Lois Sharek of the OORP for their "A" side win.

MANNVILLE RINGETTES — Are congratulated by Lois Sharek of the OORP for placing second in the "A" side of the Ringette Tournament.

Elk Point hosts first ringette tournament

The first Elk Point Ringette Tournament held on March 16, 1985, was a great success. Teams participating in the tournament were "A" side winners, the Kitscoty, Paradise Valley, Mannville and Elk Point.

Golden medallions were presented to the "A" side winners, the Kitscoty team, by HRL

Lois Sharek of the Elk Point OORP, after their 5-2 victory. Mannville, who placed second in the tournament, received bronze medallions.

Paradise Valley won the "B" side, and took home the silver medallions, with Elk Point also getting bronze. Final game score was 7-3 for Paradise Valley.

Elk Point scorers in the final game were Shari Fell, with two goals, and Melanie Poulin with a single. Assists went to Shannon Capjack and Terryl Garriock.

Special thanks to the Elk Point BPO Elks, the Royal Purple Lodge, and the Elk Point Lions Club for their donations toward the purchase of the medallions. Also special thanks to the Elk Point curling Club who donated the use of their kitchen and eating area. The Ringette players enjoyed a lunch of hot dogs, pop and cake, topped of by entertainment provided by the teams, which was enjoyed by all.

This tournament ends the season for the Ringettes, and we hope to see more new faces in the fall.

PARADISE VALLEY — Won the "B" side of the Elk Point Ringette Tournament.

ELK POINT'S RINGETTES — With coach Jim Fell, placed second in the "B" side of Saturday's tournament.

meanwhile, back at the ranch

by VICKI BROOKER

Question of the week: Is this spring? The only sure thing about the answer is, we really don't know.

There are a lot of signs that point to the fact that it just could be: The calendar says March 20, just one day from the official arrival of the season. The water running down our streets, and turning spots on gravel roads into sticky, slippery potholes is a familiar sign of spring, as are the shrinking, dust-stained snowbanks along the roads.

We have even had our annual flood in the office, already, although Larry Lecopoy and the new grader made valiant attempts to get the gutter cleaned out in time to avert the worst of it — the water didn't even quite reach the front desk this year, and the carpet needed washing, anyway.

At home, I have noticed a sure sign of the season — four new calves have made their appearance to date. That, along with the fact that I went home one day to find the back entry being cleaned within an inch of its life, is a pretty good indication that if spring isn't actually here, it's not far off. I have even been able to sit on our front deck in the sunshine and have coffee, two weekends in a row! So maybe, just maybe, it is spring.

Then again, maybe it isn't. There's one more bonspiel, and three weeks more league curling, including this week, to

go, and another hockey tournament. Have you ever noticed how much colder it seems in the arena and curling rink, when it's warm and sunny outside? Actually, it's probably just as warm (or cold) as it's been all winter, when it seemed quite pleasant after the 30 below outside.

The flower beds are still deep in snow — if anything has a mind to come up this early, it couldn't find its way through that, anyway. My sister in Vancouver was telling me on the phone that everything's getting nice and green out there, and the flowers are starting to bloom — which is hard to imagine, here in the Frozen (and slowly thawing) North.

I haven't even seen any kites yet — isn't that what March is supposed to be for, with its brisk breezes? Of course, it IS difficult to run with a kite through waist-high drifts, or wearing snowshoes, isn't it? The kite-flyers may have to wait a bit.

One sign of spring I did see was posters about slow-pitch, on the Co-Op Bulletin Board, so at least people are thinking spring.

And that's easy to do, when the sun is shining so warm and bright, and the stores are full of Easter eggs and spring clothes (and those darn bunnies, but I'll talk about them next week!).

Here's hoping that this IS it — it's been a LO-O-O-O-NG winter.

LAWRENCE MODIN, ASSISTANT CAMPAIGN CHAIRMAN — Looks for canvassers in the phone book, while Campaign Chairman Violet McFadyen arranges lists and stuffs canvassers' kits, prior to the March drive for funds.

I. Magnusson

Red Cross campaign on

by Irene Magnusson

We are well into March, traditionally Red Cross month, and much of the Annual canvass has been completed. The need has never been stronger, and we are pleased to note that early results show a generous trend from donors.

Around Elk Point the Red Cross is constantly active, both before and after the canvass. In February there was a call for the Branch to display a banner at the Ice Carnival, along with other volunteer groups around town.

That the group didn't have one on hand didn't faze President Violet McFadyen at all. She just got busy and made one, and with the donation of a couple of broom sticks to hold it up, we now have a bright white and red banner to show in color parties, parades and the like.

Mrs. McFadyen, Elk Point Branch President, and also Campaign Chairman, together with Lawrence Modin, tireless volunteer and holder of the Red Cross Badge of Service since 1952, spent many hours after receiving supplies, in filling the canvassers' kits, searching for canvassers, getting supplies delivered and in general promoting the Campaign.

Now the rest is up to the diligence of the canvassers, who will want to reach every household, and to the generosity of everyone to this most worthy cause.

Into each kit goes the resume of Red Cross priorities, and how the dollars received are spent. There is a pocket calendar for every donor, an Official Worker sticker, and a few

Red Cross seals for those who are willing to display them in window or car. The list of names from last year is added for the canvasser's information, and most importantly, the receipt books, wherein every penny donated is recorded, and a copy handed to the donor for his records.

Elk Point has carried on a canvass for many years, and it is not confined to the town alone, but covers the district around as well. Elk Point also oversees canvassing in other towns and areas — Derwent, Heinsburg, etc.

The Branch has been encouraged greatly by the news that a general canvass will be undertaken in the St. Paul and District areas, a need long seen. Elk Point

Red Cross wishes them every success. There can never be too many volunteers working for this good cause.

F.G. Miller High career corner

During the last two weeks a number of activities were held. On Thursday, March 7, the grade nine classes went on a field trip that was financially sponsored by Alternative II, an A.A.D.A.C. project. The trip began with a tour, film and discussion period at the Bonnyville Indian-Metis Rehabilitation Centre. Followed by a one hour swim at the Bonnyville pool, the trips was wrapped up by a tour of the Kehewin School and some of the Kehewin business sectors. A special thanks to volunteer parents, Mrs. P. Adomaitis and Mrs. H. Krucik for helping out.

On Monday, March 11, our students had an opportunity to attend a Canadian Armed Forces information session. Perhaps the most interesting tidbit that revealed itself was that due to an excess supply of applicants, the Armed Forces are not actively recruiting. One example that Captain Smith offered was that an R.O.T.P. applicant must have a minimum academic average of 75 starting in grade 10 in order to even be considered

for the program.

A mini Career Day was held on Thursday, March 14. During the first two periods of the day, students had the opportunity to choose one of four sessions: a Bell & Howell/DeVry Institution presentation by Mr. Pierce; a Medical related career presentation by Mr. Johnson, Mrs. Anderson, and Mr. Solden; an Oil Industry related career presentation by Mr. McCuaig; or a Salt Plant career presentation by Mr. Palamarek.

The busy F.G. Miller bus was off again on Friday, March 15 to the N.A.I.T. Open House. Students had an enjoyable time exploring potential careers and in many cases, solidifying their career plans. Mr. and Mrs. R. Ewasiuk and Mrs. S. Cameron indicated that they also enjoyed the trip, especially stopping at MacDonalds.

The Career Factory is back. Anyone interested in having a computer assist them in their career search is welcome to contact Mr. Cabaj at 724-3966.

Bantams strong in league playoffs

County of St. Paul No. 19 Agricultural Service Board

Now has nominations open for the

NORTHLANDS FARM FAMILY AWARD

If you know of a farmer in the County of St. Paul who is active in the community, who runs a well organized farm, and whose family is involved in the farming operation, send in their name and address to Northlands Farm Family Award, c/o Dennis Berghem Agricultural Fieldman, Box 368, St. Paul, Alberta.

Winners will spend the day at Edmonton Northlands on Friday, July 19th during Klondike Days Exposition, as well as receive \$100.00 for travel expenses and a gate sign.

Deadline for applications is April 12, 1985. For more information, contact Dennis at 645-3301 or District Agriculturist at 645-6301.

Although Elk Point's Bantam hockey team lost out in the Zone 2 Provincial finals last weekend, they remain strong competitors in both Lakeland and Highway 16 league playoffs.

In their two game total point series against Two Hills, in the Lakeland League, Elk Point had a pair of sizeable victories, winning the first game 6-1 and the second 9-4. In the first game, Blaine McLaughlin, Darwin Roscoe, Jayson Bates, Kenny Arndt, Roger Osinchuk and Karl Fakeley scored one goal each, while in the second contest, Travis Bretzer, Jayson Bates and Clayton Bosvik scored a pair each and Blaine McLaughlin, Bryce Lorenson and Wayne Woytkiw scored singles.

In Saturday's Highway 16 playoff game against

ELK POINT BANTAMS, 1984-85 — (Not in order) Clayton Bosvik, David Anderson, Jayson Bates, Travis Bretzer, Dean Bosvik, Blaine McLaughlin, Lindsay Jenner, Nathan Bosvik, Darwin Roscoe, Shaun Sheplaw, Troy Metz, Carl Fakeley, Roger Osinchuk, Bryce Lorenson, Wayne Woytkiw, Manager Gordon Fakeley and Coach Stan Bates.

Kitscoty, Elk Point racked up an easy 5-1 win,

with Darwin Roscoe scoring a hat trick and David Anderson and Troy Metz contributing singles.

Elk Point 4-H in review

by ELENA DROBOT

The first Elk Point Beef Club was started on November 2nd, 1965 with thirteen members, ten boys and three girls. Mr. Ray Hellquist was the first leader and stayed on in that capacity for two terms. When asked what made him decide to become leader, Mr. Hellquist's reply was, "As 1965 was the first year for the Elk Point 4-H Beef Club, and having always been interested in the farming community, I was happy to become involved with the club. I had never been a 4-H member, but found it very interesting as a leader".

In 1965 the assistant leaders were Mr. Peter Ference and Mr. Sid Holthe. 1966 saw Mr. Ference, Mr. Herb Loewen and Mr. Ed Poitrowski as assistants. The 1965 executive was President, Andrew Ference; Vice-President,

Ken Aarbo; Secretary-Treasurer, Elaine Holthe; and Club Reporter, Dennis Holthe. The 1966-1967 term saw an increase in membership of six. In that year there were five girls and fourteen boys. Club Officers were President, Andrew Ference; Vice-President, Douglas Lindquist; Secretary-Treasurer, Valerie Loewen; Club Reporter, Raymond Ference; Program Committee - Carol Pinder and Ronald Piotrowski.

Some of the events taken part in during Mr. Hellquist's leadership were "a tour (combined with Heinsburg) to visit the farm west of St. Paul with the artesian well, Gamache's dairy farm and possibly Leon Fontaine's beef herd. The club also entered floats in parades held in Elk Point in the spring of 1966 and 1967."

Mr. Hellquist thought that Carol Pinder and Andrew Ference were trophy winners but could not remember who the donors were.

We are looking for the names of all trophy winners and donors from 1965 to the present time. We are also looking for addresses for the following members of 1966-67, Valerie Loewen, Herb Loewen and Frank Whitford. Anyone knowing the whereabouts of these people please phone 645-2540.

To Mr. Hellquist, the 4-H club of 1984-85 says "Thank you for taking the time and interest to start a beef club in this area. Through your efforts we have a great organization and are able to celebrate our twentieth anniversary this year."

SECOND PLACE — In the Junior Division of the St. Paul District 4-H Speakoff went to Elena Drobot of Elk Point Beef Club. Raymond Guilbault presents the trophy.
